DENGUE ba ang problema mo ??  
Subukan mo ito at ibibigay ko ng FREE  
sa 20 taong naapektuhan ng DENGUE.  
Ang gagawin mo lang ay kausapin mo  
lang ang Hospital na siya ang maki pag  
usap sa amin.  
May 18 years ko ng ginagamit itong  
Aviso water at 10 yrs ang Ionics water sa  
mga taong naapektuhan ng Dengue.  
Huag tatawag ng hindi napanood ang  
video link na ibibigay namin.

Figure 2. False, Deceptive, and Misleading Claims for the Food Products Ionic Coloidal Silver and Aviso Water (Screenshot taken from [www.facebook.com/ismaelavisocancercure](http://www.facebook.com/ismaelavisocancercure))

The FDA verified through post-marketing surveillance that the abovementioned food products are not registered and the Certificate of Product Registration (CPR) have not yet been issued. Pursuant to the Republic Act No. 9711, otherwise known as the “Food and Drug Administration Act of 2009”, the manufacture, importation, exportation, sale, offering for sale, distribution, transfer, non-consumer use, promotion, advertising or sponsorship of health products without the proper authorization is prohibited.

Likewise, **all claims in the advertisements are false, deceptive, and misleading.** As per Administrative Order 2010-0008, no person shall advertise, promote, or use in any sponsorship any food/dietary supplements unless such product is duly registered and approved by the Food and Drug Administration.

Since these unregistered food products have not gone through evaluation process of the FDA, the agency cannot guarantee their quality and safety. The consumption of such violative products may pose health risk to consumers.

In light of the foregoing, the public is advised not to purchase violative products in the market. Moreover, the public is advised to always check if a food product is registered with the FDA. The FDA website ([www.fda.gov.ph](http://www.fda.gov.ph)) has a *Search* feature which may be used by typing in the name of the product before purchasing.

All concerned establishments are warned not to distribute violative food products until they have been issued the appropriate authorization, a License to Operate (LTO) for the establishment, and a CPR for the food product.

All FDA Field Officers and Regulatory Enforcement Unit (REU) in coordination with the law enforcement agencies and Local Government Units (LGUs) are requested to ensure that violative products are not sold or made available in their localities or areas of jurisdiction.

Kindly contact the FDA Center for Food Regulation and Research through email at [cfrr@fda.gov.ph](mailto:cfrr@fda.gov.ph) or call (02)857-1900 loc. 8115 and 8112.

To report any sale or distribution of unregistered food product, the online reporting facility, **eReport** can be accessed at [www.fda.gov.ph/ereport](http://www.fda.gov.ph/ereport).

Dissemination of this advisory to all concerned is hereby requested

  
**ROLANDO ENRIQUE D. DOMINGO, MD, DPBO**  
Undersecretary of Health  
Officer-in-Charge, Director General
