The FDA verified through post-marketing surveillance that the abovementioned food supplements are not registered and the Certificates of Product Registration (CPR) have not yet been issued. Pursuant to the Republic Act No. 9711, otherwise known as the "Food and Drug Administration Act of 2009", the manufacture, importation, exportation, sale, offering for sale, distribution, transfer, non-consumer use, promotion, advertising or sponsorship of health products without the proper authorization is prohibited.

Since these unregistered food supplements have not gone through evaluation process of the FDA, the agency cannot guarantee their quality and safety. The consumption of such violative products may pose health risk to consumers.

In light of the foregoing, the public is advised not to purchase violative products in the market. Moreover, the public is advised to always check if a food supplement is registered with the FDA. The FDA website ([www.fda.gov.ph](http://www.fda.gov.ph)) has a *Search* feature which may be used by typing in the name of the product before purchasing.

All concerned establishments are warned not to distribute violative food products until they have been issued the appropriate authorization, a License to Operate (LTO) for the establishment, and a CPR for the food supplement.

All FDA Field Officers and Regulatory Enforcement Unit (REU) in coordination with the law enforcement agencies and Local Government Units (LGUs) are requested to ensure that violative products are not sold or made available in their localities or areas of jurisdiction.

Kindly contact the FDA Center for Food Regulation and Research through email at [cfrr@fda.gov.ph](mailto:cfrr@fda.gov.ph) or call (02)857-1900 loc. 8115 and 8112.

To report any sale or distribution of unregistered food supplement, the online reporting facility, **eReport** can be accessed at [www.fda.gov.ph/ereport](http://www.fda.gov.ph/ereport).

Dissemination of this advisory to all concerned is hereby requested.
