FDA ADVISORY
No. **2020-042**

TO: THE GENERAL PUBLIC

SUBJECT: Public Health Warning Against the Purchase and Use of Unnotified Toys and Child Care Article (TCCA) product Containing Restricted Ingredient Phthalate:

SHRILLING CHICKEN

The Food and Drug Administration (FDA) warns the public from purchasing and using the unnotified and adulterated TCCA product, which was found to contain 8.4 percent of di-(2-ethylhexyl) phthalate (DEHP) and 0.5 percent diisononyl phthalate (DINP). Such ingredients are not allowed to have concentrations of more than 0.1 percent as per Administrative Order No. 2009-005-A s. 2011. The table below indicates the particulars of the adulterated TCCA:

Product Details	Product Image/s
<p>Shrilling chicken</p> <p>Manufactured by/Local Company Responsible for Placing the Product in the Market: N/I Address: N/I Country of Manufacture: China</p> <p>Lot/Batch Number: N/I Manufacturing Date: N/I Expiration Date: N/I</p>	

Potential hazards may come from ingredients that are found to contain beyond the allowable limit of an ingredient such as Phthalate to be part of TCCA products. The use of substandard and possibly adulterated TCCA products may result to health risks including but not limited to endocrine disruption and reproductive or developmental effects in relation to exposure to these compounds.

In light of the foregoing, the public is advised not to purchase the aforementioned adulterated product. Moreover, the public is advised to always check if a TCCA product is notified with the FDA. The FDA website (www.fda.gov.ph) has a *Search* feature which may be used by typing in the name of the product before purchasing.

All concerned establishments are warned not to distribute adulterated TCCA products.

All FDA Regional Field Offices and Regulatory Enforcement Units, in coordination with law enforcement agencies and Local Government Units, are requested to ensure that violative products are not sold or made available in the market or areas of jurisdiction.

Kindly contact the FDA Center for Cosmetics Regulation and Research (CCRR) through e-mail at ccrr@fda.gov.ph, or call (02) 857-1900 loc. 8113 or 8107.

To report any sale or distribution of the afore-mentioned TCCA, the online reporting facility, **eReport** can be accessed at www.fda.gov.ph/ereport.

Dissemination of this advisory to all concerned is hereby requested.

ROLANDO ENRIQUE D. DOMINGO, MD, DPBO
Undersecretary of Health
Officer-in-Charge, Director General
