

FDA ADVISORY

No. 2020-918

19 MAY 2020

TO: GENERAL CONSUMING PUBLIC

SUBJECT: Public Health Warning Against the Purchase and Use of Unregistered Household/Urban Pesticide (H/UP) CHICCO ANTI-MOSQUITO BABY SPRAY

The Food and Drug Administration (FDA) warns the public from purchasing and using the unregistered household/urban pesticide (H/UP) product, **CHICCO ANTI-MOSQUITO BABY SPRAY**. (Refer to the image below)

The abovementioned product was verified by FDA through postmarketing surveillance and shows no valid Certificate of Product Registration (CPR) as of 14 May 2020. Pursuant to Book II, Article I, Section 1 (a) of the Rules and Regulations Implementing Republic Act No. 9711, otherwise known as the “Food and Drug Administration Act of 2009”, the manufacture, importation, exportation, sale, offering for sale, distribution, transfer, non-consumer use, promotion, advertising, or sponsorship of

any health product without the proper authorization from the FDA is prohibited.

Since the abovementioned unregistered household/urban pesticide product has not gone through the registration process of the FDA, the agency cannot assure their efficacy, quality and safety. The use of such violative product may pose health risks to consumers.

Potential hazards may come from harmful, toxic and banned active ingredients that pose imminent danger to human and animal health. The use of substandard and possibly adulterated household/urban pesticide products may result to adverse reactions including, but not limited to, skin irritation, itchiness, anaphylactic shock, respiratory disorders, endocrine complications, brain damage and organ failure.

In light of the foregoing, the public is advised not to purchase the aforementioned violative product. Moreover, the public is advised to always check if a household/urban pesticide product is registered with the FDA. The FDA website (www.fda.gov.ph) has a *Search* feature which may be used by typing in the name of the product before purchasing.

All concerned establishments are warned not to distribute violative household/urban pesticides until they have been issued the appropriate authorization, a License to Operate (LTO) for the establishment, and a Certificate of Product Registration (CPR) for the household/urban pesticides.

All FDA Regional Field Offices and Regulatory Enforcement Units, in coordination with law enforcement agencies and Local Government Units, are requested to ensure that violative products are not sold or made available in the market or areas of jurisdiction.

To report any sale or distribution of unregistered household/urban pesticides, the online reporting facility, **eReport** can be accessed at ereport@fda.gov.ph, or call us at the Center for Cosmetics Regulation and Research (CCRR) hotline **(02) 8857-1900 loc. 8113 or 8107**.

Dissemination of this advisory to all concerned is hereby requested.

ROLANDO ENRIQUE D. DOMINGO, MD
Director General
