No. **2020-1952**

29 OCT 2020

TO: ALL FDA Stakeholders and the General Public

RE: Payment through Online Fund Transfer to FDA Landbank Account

FDA Advisory No. 2020-624 dated April 16, 2020 and FDA Circular 2020-026 Section 4.1.7.3 dated August 24, 2020 were issued providing Online Fund Transfer as an additional payment channel to facilitate payment of FDA Authorizations during this time of pandemic. As stated in the Advisory and in the Circular, Online Fund Transfer must be made to the Specific Bank Details as follows:

LBP Account Name : **FDA RA 9502 Special Fund**
LBP Account Number : **0392-1030-58**

Despite the clear Bank details stated in the FDA Advisory No. 2020-624 and later reiterated in the FDA Circular No. 2020-026, many stakeholders pay via online fund transfer to the LBP Clearing Accounts of the Center(s) they are transacting with. This poses a more tedious verification process since Cashier cannot validate the payment even with the copies of successful payments. Only the LBP has access to the Clearing Accounts, thus causing delay in verification of payments.

With this, all payments made through online bank transfer **SHOULD** be made **ONLY** to this account:

LBP Account Name : **FDA RA 9502 Special Fund**
LBP Account Number : **0392-1030-58**

Please be guided.

ROLANDO ENRIQUE D. DOMINGO, MD
Director General
