

ANNOUNCEMENT

DATE : 24 February 2021

TO : ALL CONCERNED STAKEHOLDERS AND THE
GENERAL PUBLIC

FROM : DR. OSCAR G. GUTIERREZ, JR., MPA
OIC, PPS-ICTMD

SUBJECT : SYSTEM MAINTENANCE

The Food and Drug Administration (FDA) – Policy and Planning Service-Information and Communication Technology Management Division (PPS-ICTMD) will conduct a system maintenance tomorrow, 25 February 2021.

With this, we regret to inform you that the Eportal System will be temporarily unavailable:

The aforecited system application will be restored by 26 February 2021 at 7:00 AM for regular business operations.

We sincerely apologize for any inconvenience this may cause.
