FDA CIRCULAR
No. 2018-010

120 AUG 2018

SUBJECT: Amendment to BFAD Memorandum entitled "Guidelines for the Transshipment of Salt" dated 02 October 2004 and repeal of FDA Memorandum No. 2013-050 dated 25 July 2013

In the interest of service and to further facilitate the release of locally acquired salt from different points, BFAD Memorandum entitled "Guidelines for the Transshipment of Salt" dated 02 October 2004 is hereby amended to state the following:

"xxx xxx xxx

To facilitate the release of locally acquired salt from different points, all Cluster Directors and in his/her absence his/her authorized representative, are hereby directed to issue clearance and facilitate the release of locally acquired salt (imported/locally produced) from point of entry xxx."

"All clearances signed by the Cluster Directors and issued from 1 January 2016 to 23 March 2018 are deemed ratified."

All other provisions of BFAD Memorandum dated 02 October 2004 shall still take effect.

FDA Memorandum No. 2013-050 is hereby repealed.

For guidance of all concerned.
