Accordingly, the list released in FDA Advisory No. 2020-137 is hereby updated to remove the aforementioned food supplements.

The public is advised to always check if a food product or food supplement is registered with the FDA by using the **FDA Verification Portal** feature accessible at <https://verification.fda.gov.ph>. You may also look for the FDA Registration number on the product label, if available or simply type the name of the product.

To report any sale or distribution of unregistered food product, kindly email us through ereport@fda.gov.ph.

The public health warning imposed on the remaining products listed in FDA Advisory No. 2020-137 shall remain to be upheld and shall not be affected by the issuance of this advisory. Furthermore, the issuance of this advisory shall not in any manner preclude this Office from issuing subsequent orders it may deem necessary and appropriate, should there be findings of any violation of the company to the existing laws, rules, and regulations.

Dissemination of this advisory to all concerned is hereby requested.
