ANNEX III-Part 1-List of substances which cosmetic products must not contain except subject to restrictions and conditions laid down

	Substance		Restrictions		Conditions of use and warning
Ref #		Field of application and/or use	Maximum authorised concentration in the finished cosmetic product	Other limitations and requirements	which must be printed on the labels
Α	В	С	D	E	F
1a	Boric acid, borates and tetraborates with the exception of substance No 1184 in Annex II	 (b) Products for all hygiene (c) Other products (excluding bath products and hair waving products) 	 (a) 5% (by mass/mass as boric acid) (b) 0.1% (by mass/mass as boric acid) (c) 3% (by mass/mass as boric acid) 	 (a) 1. Not to be used in products for children under 3 years of age 2. Not to be used on peeling or irritated skin if the concentration of free soluble borates exceeds 1.5% (by mass/mass as boric acid) (b) Not to be used in products for children under 3 years of age (c) 1. Not to be used in products for children under 3 years of age 2. Not to be used on peeling or irritated skin if the concentration of free soluble borates exceeds 1.5% (by mass/mass as boric acid) 	 (a) 1. Not to be used in products for children under 3 years of age 2. Not to be used on peeling or irritated skin (b) 1. Not to be swallowed 2. Not to be used in products for children under 3 years of age (c) 1. Not to be used in products for children under 3 years of age 2. Not to be used on peeling or irritated skin

	Substance		Restrictions		Conditions of use and warning
Ref #		Field of application and/or use	Maximum authorised concentration in the finished cosmetic product	Other limitations and requirements	which must be printed on the labels
Α	В	С	D	E	F
1b	Tetraborates	(a) Bath products	(a) 18% (by mass/mass as boric acid)	(a) Not to be used in products for children under 3 years of age	(a) Not to be used for bathing children under 3 years of age
		(b) Hair waving products	(b) 8% (by mass/mass as boric acid)		(b) Rinse well
2a	Thioglycolic acid and its salts	(a) Hair waving or straightening products:1. General use2. Professional use	 (a) 1. 8% ready for use at pH 7 – 9.5 2. 11% ready for use at pH 7- 9.5 	(a) (b) (c) The directions for use drawn up in the national or official language(s) must obligatorily incorporate the following sentences:	 Contains thioglycolate Follow the instructions Keep out of reach of children. For professional use only.
		(b) Depilatories(c) Other hair care products which are removed after application	 (b) 5% ready for use at at pH 7-12.7 (c) 2% ready for use at pH 7-9.5 Percentages calculated as total thioacids, i.e., either singly (thiolactic acid or thioglycolic acid alone) or combination of thiolactic acid and thioglycolic acid in a given formula 	 Avoidcontact with eyes In the event of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear suitable gloves (a) and (c) only. 	 (b) and (c) Contains thioglycolate Follow the instructions Keep out of reach of children
