FDA ADVISORY

No. **2021-2036**

11 8 AUG 2021

TO: THE GENERAL PUBLIC

SUBJECT: SUPPLY SOURCES OF COVID-19 VACCINES

All stakeholders are advised that COVID-19 Vaccines should be authorized by the Food and Drug Administration (FDA) for emergency use, and supplied only by their respective Emergency Use Authorization (EUA) Holders.

For the information and guidance of the public, COVID-19 Vaccines with EUA and their respective EUA Holders are uploaded to the official website of the FDA at <http://www.fda.gov.ph/list-of-fda-issued-emergency-use-authorization/>.

Furthermore, private entities, hospitals (public and private), health facilities of other National Government Agencies, and Local Government Units (LGUs) are strictly advised to execute necessary multiparty agreements prior to procurement of any COVID-19 Vaccine as required by Republic Act No. 11525 or the "COVID-19 Vaccination Program Act of 2021."

This advisory is being issued to ensure that COVID-19 Vaccines are sourced from authorized suppliers with proper coordination with the Department of Health (DOH) and the National Task Force (NTF) against COVID-19.

Dissemination of this advisory to all concerned is requested.
