

15 October 2010

**FDA CIRCULAR**  
No. 2010-016-A

**SUBJECT: Amending FDA Circular No. 2010-016 dated 20 September 2010 by Declaring Additional Products to be Imminently Injurious, Unsafe or Dangerous and Authorizing the FDA Inspectors to Seize from Public Sale and Distribution such Products**

In the interest of protecting public health, FDA Circular No. 2010-016 dated 20 September 2010 is amended identifying additional products to be imminently injurious, unsafe or dangerous. The pictures of the products identified in FDA Circular No. 2020-016 and the additional products are attached below for easy identification. In this regard, the Food and Drug Regulation Officers of this Office (both Central and those in the Regions) are hereby authorized to seize immediately all products identified in these Circulars for custody from all outlets or establishments where they may be found or from anyone in possession of such products for sale or offer for sale, subject to the usual inspection and reporting procedures.
