FDA ADVISORY  
No. **2021-2350**

27 SEP 2021

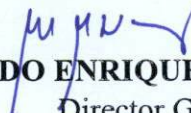

**TO: ALL RADIATION FACILITIES UNDER THE ONE-STOP SHOP LICENSING SYSTEM OF THE DEPARTMENT OF HEALTH (DOH)**

**SUBJECT: New Validity Period of the Food and Drug Administration – Center for Device Regulation, Radiation Health, and Research (FDA-CDRRHR) Authorizations for Radiation Facilities under the One-Stop Shop (OSS) Licensing System of the Department of Health (DOH)**

Pursuant to Section VI.B.5.3 of DOH Administrative Order (AO) No. 2020-0035 or the “*Rules and Regulations on the Licensing and Registration of Radiation Facilities Involved in the Use of Radiation Devices and Issuance of Other Related Authorizations,*” all applications received starting **October 1, 2021**, for authorizations to be issued for radiation facilities under the One-Stop Shop (OSS) Licensing System of the Department of Health (DOH), shall be valid for **three (3) years for initial and five (5) years for renewal applications.**

The FDA-CDRRHR authorizations issued shall remain valid and shall be used as basis for the issuance of related DOH authorizations for OSS facilities pursuant to DOH AO No. 2018-0016 or the “*Revised Guidelines in the Implementation of the One-Stop Shop Licensing System,*” provided that no violation has been committed in relation to pertinent rules and regulations which may result in penalties or sanctions.

Dissemination of this advisory to all concerned is hereby requested.
