The Food and Drug Administration (FDA) warns all healthcare professionals and the general public **NOT TO PURCHASE AND CONSUME** the following unregistered food products:

Figure 1. Unregistered LOTTE JELLYLICIOUS Watermelon Flavor (In Foreign Language)

Figure 4. Unregistered Grape Gummy Candy in Light Green Packaging (In Foreign Language)

Figure 5. Unregistered EURO Lychee RICH GUMMY BRAND Pectin Gummy Jelly (In Foreign Language)

The FDA verified through online monitoring or post-marketing surveillance that the abovementioned food products are not registered and no corresponding Certificates of Product Registration (CPR) have been issued. Pursuant to the Republic Act No. 9711, otherwise known as the "Food and Drug Administration Act of 2009", the manufacture, importation, exportation, sale, offering for sale, distribution, transfer, non-consumer use, promotion, advertising or sponsorship of health products without the proper authorization is prohibited.

Since these unregistered food products have not gone through evaluation process of the FDA, the agency cannot assure its quality and safety.

All concerned establishments are warned not to distribute, advertise, or sell the said violative food products and food supplement until CPR are issued, otherwise, regulatory actions and sanctions shall be strictly pursued. Always check if a product is registered with the FDA by using the **FDA Verification Portal feature** accessible at <https://verification.fda.gov.ph>. You may also look for the FDA Registration number on the product label, if available or simply type the name of the product.

All Law Enforcement Agencies (LEAs) and Local Government Unit (LGUs) are requested to ensure that these products are not sold or made available in the market or areas of jurisdiction.

The Bureau of Customs is urged to restrain the entry of the unregistered imported products.
