No. **2021-3381**

110 DEC 2021

**SUBJECT : Resumption of FDA eServices System**

---

Please be informed that the FDA eServices System is already up and running and shall now return to its usual operation. All stakeholders are hereby advised to submit their applications for License to Operate (LTO), Certificate of Product Registration (CPR) and Compassionate Special Permit (CSP) under the said system.

All applications lodged through the FDA eServices System and interim system shall be processed concurrently. Furthermore, all applications submitted before the implementation of the interim system are no longer required to reapply.

Dissemination of this advisory to all concerned is hereby requested.
