Republic Act No. 9711, otherwise known as the FDA Act of 2009, **prohibits** the importation, exportation, sale, offering for sale and distribution of any health product that is adulterated, unregistered or misbranded. The public is advised not to purchase any unregistered health products online and even in the market.

The public is encouraged to verify whether the health product is FDA registered at www.fda.gov.ph. Type in the name or the registration number of the product at the search bar located at the upper right hand corner. If the search produces no result, then it is highly probable that the product is not FDA registered.

For more information and inquiries, kindly email us at info@fda.gov.ph. To report unregistered health products or establishments selling unregistered health products, kindly email us via report@fda.gov.ph.
