The public is hereby warned that the said products are **not registered** with this Office, including all the aforementioned claims. Taking food and/or food supplements that have not undergone evaluation and testing in terms of safety and quality may present harmful effects to one's health. Food products including food supplements should not bear any misleading, deceptive, and false claims in their labels and/or any promotional materials that will provide erroneous impression on products' character or identity.

In the interest of protecting public health and safety, the Officers of the Field Regulatory Operations Office (FROO) are hereby mandated to exercise their regulatory function pursuant to Section 14 of Republic Act No. 9711. Likewise, all local government units and law enforcement agencies are requested to ensure that the unregistered food products/supplements are not sold or offered for sale in their localities or area of jurisdiction.

The aforementioned unregistered food products are **completely unrelated** to the FDA registered **TATIOMAX Reduced Glutathione + Sodium Ascorbate + Collagen Dietary Supplement** distributed by T/M Pharma Co. (Food Division).
