

Republic of the Philippines  
Department of Health  
**FOOD AND DRUG ADMINISTRATION**

FDA ADVISORY  
No. **2016-120**

02 NOV 2016

**TO : ALL RADIATION FACILITIES/ESTABLISHMENTS  
REGULATED BY THE FOOD AND DRUG  
ADMINISTRATION**

**SUBJECT : Center for Device Regulation, Radiation Health and  
Research (CDRRHR) Application Holiday from 24 to 28  
October 2016 and 02 to 04 November 2016**

The Radiation Regulation Division (RRD) of the Center for Device Regulation Radiation Health and Research (CDRRHR) will be transferring from the Department of Health (DOH), Sta. Cruz Manila to the Food and Drug Administration, Alabang, Muntinlupa. As such, the period 24 to 28 October 2016 and 02 to 04 November 2016 is hereby declared as an **Application Holiday/Moratorium** to give the CDRRHR time to facilitate the transfer of the official documents, office equipment, and transaction processes to their new office.

In view of the above, CDRRHR **shall not receive** the following application and compliance documents:

1. License to Operate an x-ray facility
2. Radiofrequency radiation safety evaluation report
3. Pre-operational permit for therapeutic x-ray facility
4. Compliance documents during the conduct of Radiation Protection Survey and Evaluation and Facility Compliance Monitoring

As an exception, **only** applications for the issuance of a Clearance for Customs Release shall be entertained.

For the information and compliance of all concerned.

  
**NELA CHARADE G. PUNO, RPh**  
FDA Director General
