FDA post-marketing surveillance (PMS) activities have verified that the abovementioned TCCA products have not gone through the verification process of the agency and have not been issued the proper authorization in the form of acknowledged TCCA notifications. Pursuant to Republic Act No. 9711, otherwise known as the "Food and Drug Administration Act of 2009", the manufacture, importation, exportation, sale, offering for sale, distribution, transfer, non-consumer use, promotion, advertising or sponsorship of health products without the proper authorization from FDA is prohibited.

Accordingly, because unnotified TCCA products have not gone through the verification process of the FDA, the agency cannot guarantee their quality and safety. The use of such violative products may pose potential health hazards to the consuming public. Potential hazards may come from materials that are not allowed to be part of a TCCA product or from the contamination of heavy metals such as lead especially from the paint used on toys. Children may be exposed to lead from often placing toys and other objects in their mouth, exposing themselves to lead paint that may result to lead poisoning. It has no immediate symptoms but

it may appear as but not limited to metallic taste in mouth, abdominal pain, vomiting or nausea, muscle and joint weakness, seizures and pallor (pale skin) from anemia.

In light of the above, the public is advised not to purchase the aforementioned violative products. Moreover, the public is also advised to be vigilant against TCCA products that might not be duly notified with FDA. Always check if a TCCA product has been notified with FDA before purchasing it by making use of the embedded *Search* feature of the FDA website accessible at www.fda.gov.ph.

All concerned establishments are warned not to distribute the above-identified violative TCCA products until they have already been covered by the appropriate authorization (TCCA notification), otherwise, regulatory actions and sanctions shall be strictly pursued.

All Local Government Units (LGUs) and Law Enforcement Agencies (LEAs) are requested to ensure that these products are not sold or made available in their localities or areas of jurisdiction.

For more information and inquiries, please e-mail us at info@fda.gov.ph. To report continuous sale or distribution of the above unnotified TCCA products, utilize our online reporting facility, **eReport**, at www.fda.gov.ph/ereport, or e-mail us via report@fda.gov.ph, or call us at the Center for Cosmetics Regulation and Research (CCRR) hotline **(02) 857-1979** or **(02) 857-1984**.

Dissemination of the information to all concerned is requested.
