Likewise, all claims advertised by the said establishment in their brochure are false, deceptive, and misleading. As per Administrative Order 2010-0008, no person shall advertise, promote, or use in any sponsorship any food/dietary supplements unless such product is duly registered and approved by the Food and Drug Administration. **Therefore, all activities related to the distribution and advertisement of Health Patrol Lifestyle Center are in violation of RA 9711 and AO 2010-0008.**

Accordingly, since unregistered food product had not gone through evaluation and testing process of the FDA, the agency cannot guarantee their quality and safety. The consumption of such violative product may pose potential health hazards to the consuming public. Food products including food supplements should not bear any misleading, deceptive, and false claims in their labels and/or any promotional materials that will provide erroneous impression on products' character or identity.

In light of the above, the public is advised not to purchase the aforementioned violative product. Moreover, the public is advised to be vigilant against food products that might not be duly registered with FDA. Always check if a food product has been registered with FDA before purchasing it by making use of the embedded *Search* feature of the FDA website accessible at www.fda.gov.ph.

For more information and inquiries, please e-mail us at info@fda.gov.ph. To report continuous sale or distribution of the above unregistered food supplement, utilize our online reporting facility, **eReport**, at www.fda.gov.ph/ereport, or e-mail us via report@fda.gov.ph, or call us at the Center for Food Regulation and Research (CFRR) hotline (02) 857-1900 loc. 8115 and 8112.

Dissemination of the information to all concerned is requested.
