FDA Advisory
2014-017

**SUBJECT: VOLUNTARY RECALL OF NAGARAYA CRACKER NUT
ORIGINAL BUTTER FLAVOR UNDER LOT NO. 14019**

The Department of Health - Food and Drug Administration hereby advise the public that the Food Industries, Inc., has initiated a recall of its product **Nagaraya Cracker Nut Original Butter Flavor (160 grams)** identified under **Lot No. 14019**, with expiry date **01242015F** which was found to contain an unacceptable level for *Aflatoxin*.

The recall involves only the specified product under the mentioned lot number and no other Nagaraya variants and sizes are affected by the recall.

Consumers who have purchased Nagaraya Cracker Nut Original Butter Flavor (160 grams) under Lot No. 14019 are advised to contact the Sales Department of Food Industries, Inc. at **810-0141**. The public may also send their queries and other concerns to FDA's official e-mail address, **info@fda.gov.ph**.

The public is hereby assured that the FDA conducts continuous monitoring and market surveillance of all peanut-based food products for the purpose of ensuring protection of public health.

KENNETH Y. HARTIGAN-GO, MD
Director General
