FDA Advisory
No. **2014-018**

**SUBJECT: ADDITIONAL BRANDS OF FLUORIDE TOOTHPASTE WITH
FDA NOTIFICATION FOR CONSUMER USE**

The list of the brands of toothpaste in FDA Advisory 2014-013 was derived from the list of toothpaste through the e-notification process. The following are the additional brands of notified toothpaste containing fluoride:

- | | |
|-------------|-----------------|
| • AQUAFRESH | • MEISU PLUS |
| • BEAM | • PARODONTAX |
| • BIOTENE | • PEARLIE WHITE |
| • CALCIDENT | • PHILKRAFT |
| • DENTEC | • POLLYPASTE |
| • DENTIUM | • PYODONTYL |
| • EUCRYL | • SMILEGUARD |
| • GLISTER | • SYSTEMA |
| • HERBAFLO | • THERABREATH |
| • KODOMO | • UNIQUE |
| • KUTITAP | • WHITE-GLO |
| • LACALUT | • YOTUEL |

Public is advised to read the label to determine whether the product contains fluoride or not.

To ensure better quality and adequate level of fluoride in toothpaste that are available in the country, the FDA has partnered with the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH Fit for School Program and the German Heidelberg Ruprecht-Karls-University Department of Conservative and Preventive Dentistry. This project is important to sustain government efforts in partnership with GIZ GmbH, which have realized significant reduction or prevention of dental caries through the Fit for School Program, and to increase consumer health protection.

For more information regarding the notified toothpaste, kindly email the FDA via info@fda.gov.ph.
