**FDA Advisory**  
No. 2014-072-A

**SUBJECT: AMENDMENT TO FDA ADVISORY NO. 2014-072 "THE LIST OF DRUG MANUFACTURERS (DM) WITH ISSUES ON GMP COMPLIANCE"**

FDA Advisory No. 2014-072 dated 23 September 2014 is hereby amended to update the status of the previously mentioned establishments.

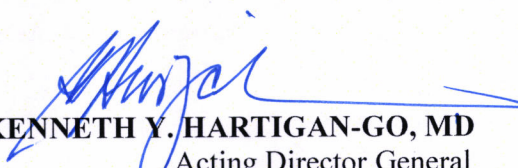

Below is the list of inspected drug manufacturers from the National Capital Region (NCR) with issues on Good Manufacturing Practice (GMP) compliance. Consequently, these companies do not have valid Licenses to Operate (LTO) and GMP Certificates.

The following companies do not have valid LTO and GMP Certificates as Drug Manufacturers:

1. Accord Bio Laboratories
2. Laboratorio De P. Cabral Inc.
3. Universal Robina Corp.
4. Weisser Chemical Industries

Moreover, the following companies have valid LTOs on a limited scope of operation as follows:

1. Compact Pharmaceutical Corp.	❖ Allowed to manufacture solid preparations only
2. Ashford Pharmaceutical Laboratories, Inc.	❖ Allowed to manufacture oral solid and oral liquid preparations only
