No. **2014-072**

SUBJECT: LIST OF DRUG MANUFACTURERS (DM) WITH ISSUES ON GMP COMPLIANCE

In the spirit of transparency, below is the list of inspected drug manufacturers from the National Capital Region (NCR) and Region IV-A with issues on Good Manufacturing Practice (GMP) compliance.

1. Accord Bio Laboratories
2. Compact Pharmaceutical Corp.
 - ❖ Liquid Preparations
3. Laboratorio De P. Cabral Inc.
4. Universal Robina Corp.
5. Weisser Chemical Industries
6. Ashford Pharmaceutical Laboratories, Inc.

The Food and Drug Administration (FDA) has found the above mentioned companies not in full compliance with current Good Manufacturing Practice (cGMP). Consequently, these companies do not have valid Licenses to Operate (LTO) and GMP Certificates. Therefore, the above mentioned companies are required to submit their Corrective Action and Preventive Action Plan to meet the GMP standards.
