07 October 2014

FDA Advisory  
No. **2014-079**

**SUBJECT: Voluntary Recall of Specific Batches of Arrowhead Mills Peanut Butter Products Distributed by Onestop Distribution and Healthy Options Corporation**

The Department of Health- Food and Drug Administration (DOH-FDA) hereby advises the public that OneStop Distribution, Inc. and Healthy Options Corporation have initiated a voluntary recall of the following specific batches of Arrowhead Mills products due to potential *Salmonella* contamination:

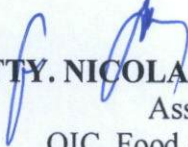

Product Name	Product Code	Unit Bar Code	Expiry Date
Arrowhead Mills Creamy Organic Peanut Butter, 16 ounce	AM47052	074333470328	04FEB15
			31DEC14
			14MAY15
Arrowhead Mills Crunchy Organic Peanut Butter, 16 ounce	AM47032	074333470526	31DEC14
			14MAY15

In its notification to FDA, the company One Stop Distribution, Inc. has ordered the stores of Healthy Options Corporation to recall the products under the identified product code and discontinue selling these to the consumers. The recall involves only the specified batch under the mentioned product codes and no other Arrowhead Mills peanut butter variants and sizes are affected.

Consumers who have purchased the abovementioned products are advised to contact the Merchandising Department of OneStop Distribution, Inc. at 527-5555 local 4757. The public may also send queries and their concerns to FDA's official email address, **info@fda.gov.ph**.

Further, the public is hereby assured that FDA is continuously coordinating with the distributors in monitoring this voluntary withdrawal of the products.
