Table 1. Unregistered Drug Products obtained from various stores along Friendship Highway in Angeles City.

The field Food and Drug Regulation Officers are ordered to confiscate the aforementioned unregistered drug products found in the market.

All local government units and law enforcement agencies are requested to ensure that these products are not sold or offered for sale in their localities or area of jurisdiction.

All consumers are advised to purchase their medications only from FDA-licensed establishments. Please note that product evaluation and registration is a measure that the government undertakes to ensure the safety and efficacy of health products. Please look for the FDA Registration number on the product label.

For more information and inquiries, please email us at info@fda.gov.ph. To report continuous sale or distribution of unregistered health products kindly email us via report@fda.gov.ph or you may call the telephone number (02)807-8275. For any suspected adverse drug reaction (ADR), report at the FDA website: www.fda.gov.ph through the ADR Report tab.
