FDA ADVISORY

No: _____

TO : THE GENERAL PUBLIC

SUBJECT : CLARIFICATION ON THE SAFETY OF ALL LOCALLY MANUFACTURED LUCKY ME! INSTANT NOODLE

The FDA wishes to clarify that all flavor variants of locally manufactured Lucky Me! Instant Noodle, namely Pancit Canton Regular, Pancit Canton Extra Hot Chili, Pancit Canton Chilimansi, and Instant Mami Beef Regular, including Pancit Canton Kalamansi pass the standard for ethylene oxide and are safe for consumption.

The level of ethylene oxide in Pancit Canton Kalamansi (less than 0.01 mg/kg) passes the standard for ethylene oxide even of the European Union. The acceptable level of EU is 0.02 mg/kg.

For information and dissemination.

DR. OSCAR G. GUTIERREZ, JR.
OIC Director General
