The Food and Drug Administration (FDA) warns the public from purchasing and using the misbranded and adulterated health product "**Supreme Isopropyl Alcohol 70% Solution with Dual Moisturizer, Aloe Vera Extract, Tea Tree Oil and Vitamin E-Fresh Scent**". (Refer to the image below.)

PRODUCT DETAILS	PRODUCT IMAGE/S
<p>Manufactured by/ Local Company Responsible for Placing the Product in the Market: <b>Phosclay Chemical Manufacturing</b></p> <p>Address: <b>B16 LOT 01-A Barangay San Dionisio, Dasmariñas Cavite Calabarzon (Region IV-A), 4114</b></p> <p>Country of Manufacture: <b>Philippines</b></p> <p>Lot/Batch Number: <b>PCM0107001</b> Mfg. Date: <b>1.07.2021</b> Exp. Date: <b>1.07.2024</b></p>	

The FDA laboratory analysis showed that the product contains only 9.0% Isopropyl alcohol which is less than 70% as labeled, and 63.5% presence of Methanol.

As Per Section 11, subsections (a) and (b) of R.A. 3720 as amended by Republic Act No. 9711 "Food and Drug Administration (FDA) Act of 2009", Section 10 subsection (a) and (b), prohibits the following: (a) The manufacture, importation, exportation, sale, offering for sale, distribution, transfer, non-consumer use, promotion, advertising, or sponsorship of any health product that is adulterated, unregistered or misbranded; (b) The adulteration or misbranding of any health product.

The aforementioned misbranded and adulterated product is found to be non-compliant with the existing standards, and, thus pose potential hazards to the consuming public. Acute and chronic exposure of humans to Methanol by inhalation or ingestion may result in visual disturbances, such as blurred or dimness of vision, leading to blindness. Neurological damage, specifically permanent motor dysfunction, may also result. Contact of skin with methanol can produce mild to severe dermatitis in humans.

In light of the foregoing, the public is advised not to purchase the aforementioned misbranded and adulterated product. Always check if a health product is notified and/or registered with the FDA by using the FDA Verification Portal feature accessible at <https://verification.fda.gov.ph>. which may be used by typing in the name of the product before the purchase and/or using the cosmetic products

All concerned establishments are warned not to distribute misbranded and adulterated health product/s.

All FDA Regional Field Offices and Regulatory Enforcement Units, in coordination with law enforcement agencies and Local Government Units, are requested to ensure that violative products are not sold or made available in the market or areas of jurisdiction.

To report any sale, distribution, complaint and/or adverse event on the use of the violative cosmetic product, the online reporting facility, eReport can be accessed at [ereport@fda.gov.ph](mailto:ereport@fda.gov.ph), or call us at the Center for Cosmetics and Household/Urban Hazardous Substances Regulation and Research (CCHUHSRR) hotline **(02) 8857-1900 loc. 8113 or 8107**.

Dissemination of this advisory to all concerned is hereby requested.

  
**DR. SAMUEL A. ZACATE**  
Director General
