

FDA ADVISORY

No. **20230090**

09 JAN 2023

TO: THE GENERAL PUBLIC

SUBJECT: Public Health Warning Against the Purchase and Use of Adulterated and Unauthorized Cosmetic Product "FORU SKINCARE NIGHT CREAM" as Reported in the ASEAN Post-Marketing Alert System (PMAS)

The Food and Drug Administration (FDA) warns the public from purchasing and using the adulterated cosmetic product **FORU SKINCARE NIGHT CREAM** which tested and found to contain **HYDROQUINONE, TRETINOIN** and **BETAMETHASONE 17-VALERATE** as reported in the ASEAN Post-Marketing Alert System (PMAS). These ingredients are not allowed to be part of a cosmetic product as per ASEAN Cosmetic Directive (ACD). The table below indicates the particulars of the violative cosmetic product/s:

Product Details	Product Image/s
Manufactured by/Local Company Responsible for Placing the Product in the Market: Not Indicated Country of Manufacture: Not Indicated Lot/Batch Number: Not Indicated Manufacturing Date: Not Indicated Expiration Date: Not Indicated	

The aforementioned cosmetic product has been tested by the National Pharmaceutical Regulatory Agency, Ministry of Health Malaysia, as part of their post-marketing surveillance activities and results of the laboratory analyses show that the aforementioned product is not compliant with the technical standards set forth by the ACD.

Hydroquinone, Tretinoin and **Betamethasone 17-Valerate** are not allowed to be part of cosmetic product as these are classified as drug products in the Philippines because of their multiple serious adverse effects, such as sensitivity to light, skin redness and permanent skin discoloration, when used indiscriminately without medical supervision.

In light of the foregoing, the public is advised not to purchase the aforementioned violative cosmetic product. Always check if a product is notified with the FDA by using the FDA Verification Portal feature accessible at <https://verification.fda.gov.ph> which may be used by typing in the name of the product before the purchase and/or using the cosmetic products.

All concerned establishments are warned not to distribute violative cosmetic products.

All FDA Regional Field Offices and Regulatory Enforcement Units, in coordination with law enforcement agencies and Local Government Units, are requested to ensure that violative products are not sold or made available in the market or areas of their jurisdiction.

To report any sale, distribution, complaint and/or adverse event on the use of the violative cosmetic product, the online reporting facility, eReport can be accessed at ereport@fda.gov.ph, or call us at the Center for Cosmetics and Household/Urban Hazardous Substances Regulation and Research (CCHUHSRR) hotline **(02) 8857-1900 loc. 8107**.

Dissemination of this advisory to all concerned is hereby requested.

DR. SAMUEL A. ZACATE
Director General
