

FDA ADVISORY
No. **2023-0106**

16 JAN 2023

TO: ALL CONCERNED STAKEHOLDERS

SUBJECT: Virtual Cascading of FDA Circular (FC) No. 2022-010, Entitled “Implementing Guidelines of Department of Health (DOH) Administrative Order (AO) No. 2019-0010 on the Issuance of License to Operate as Household/Urban Pest Control Operators, and for Other Purposes”

The Food and Drug Administration (FDA), through the Center for Cosmetics and Household/Urban Hazardous Substances Regulation and Research (CCHUHSRR), aimed to establish the guidelines for the licensing and inspection of establishments or operators for non-agricultural pest control. Thus, the issuance of FDA Circular No. 2022-010, entitled “Implementing Guidelines of Department of Health (DOH) Administrative Order (AO) No. 2019-0010 on the issuance of License to Operate as Household/Urban Pest Control Operators, and for Other Purposes”.

The FDA invites all concerned stakeholders to participate in the virtual cascading as this will be covering the salient features of the said issuance, system launching of the FDA application system, and pilot implementation.

Virtual Cascading	
Date and Time	27 January 2022; 10AM to 12NN
Platform	Microsoft Teams
Participants	Only one hundred (100) participants and on a first-come, first-served basis. To ensure that all stakeholders are given equal opportunities to attend the virtual cascading, only one (1) representative per company/industry association shall be allowed to register.

Interested participants may access the registration link provided below:
