

ANNOUNCEMENT

TO : ALL CONCERNED STAKEHOLDERS
SUBJECT : IMPLEMENTATION OF THE FOOD AND DRUG ADMINISTRATION (FDA) ESERVICES PORTAL SYSTEM FOR THE LICENSE TO OPERATE (LTO) OF PEST CONTROL OPERATOR (PCO) ESTABLISHMENTS

The FDA hereby announces that the License to Operate (LTO) for Pest Control Operator (PCO) Establishments through the **eServices Portal System** will begin receiving initial applications on **1 February 2023**.

The FDA invites PCO stakeholders who wish to submit their LTO applications, pursuant to FDA Circular No. 2022-010, to access the **FDA eServices Portal System** through <https://eservices.fda.gov.ph/>. Please be reminded that the first six (6) months of the transitory period of the issuance will serve as the pilot implementation for the **National Capital Region (NCR)**. Furthermore, during the 2-years transitory period, securing an LTO is voluntary.

Please see attachments for more information.

1. **Annex A:** Step-by-step Procedure of eServices Portal system on PCO License to Operate
2. **Annex B:** Consolidated Question and Answers on FDA Circular No. 2022-010

For any questions or concerns, kindly contact CCHUHSRR at (02) 8857-1900 local 8107 or through email at cchuhsrr.lrd.hup@fda.gov.ph.
