

FDA ADVISORY
No. **20232328**

20 NOV 2023

TO : ALL CONCERNED FDA CLIENTS AND STAKEHOLDERS

SUBJECT : Updated Process Flow and Application Form for Food Export Certificate and/or Food Commodity Clearance

To further streamline and improve the delivery of service, the FDA, through the Common Services Laboratory (CSL), has updated the process flow (Annex A) and application form (Annex B) for the issuance of Food Export Certificate and/or Food Commodity Clearance (FEC/FCC).

Thus, all concerned Clients and Stakeholders are enjoined to observe compliance with the updated process for the application of FEC/FCC and use the latest application form, which can be accessed through the FDA website at www.fda.gov.ph/downloadables. Effective **November 20, 2023**, all applications for FEC/FCC submitted using the previous form will be promptly **DENIED**.

For other questions and concerns related to this advisory, please send an email at cslexport@fda.gov.ph.

For your information and immediate compliance.

DR. SAMUEL A. ZACATE
Director General
