

FDA ADVISORY
No. **2023-2401**

30 NOV 2023

**TO : ALL CONCERNED FDA CENTERS/OFFICES, CLIENTS,
AND STAKEHOLDERS**

**SUBJECT : COMMON SERVICES LABORATORY CY 2023 YEAR-END
PROGRAM IMPLEMENTATION REVIEW (PIR)**

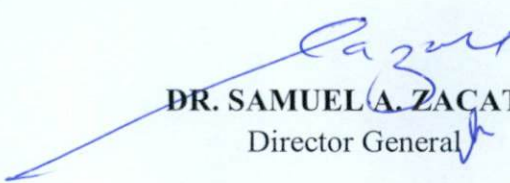

To assess the performance of the laboratory against the predetermined objectives and benchmarks, thereby providing insights into the laboratory's intended outcomes and identifying areas for improvement for seamless processes, all the personnel of the Common Services Laboratory (CSL) are required to attend its CY 2023 Year-End PIR on 04 to 07 December 2023 in Baguio City.

During this period, both in-person and online CSL transactions will be temporarily unavailable, except processing of Food Export Certificate/Food Commodity Clearance, which will still be accommodated, although with potential delays.

Regular schedule of all CSL services, as well as releasing of signed original copies of reports, authorizations, and certificates processed during this period, shall resume on 13 December 2023.

For immediate concerns, kindly send an email to csl@fda.gov.ph.

For information, reference, and guidance.
