FOR IMMEDIATE RELEASE – October 12, 2023 – ATC Healthcare International Corp. is recalling Batch number 00K04BA22 of Phenylephrine HCl/Paracetamol 10mg/500mg tablet [Noflu Non-Drowsy]. This recall was initiated due to a failed assay by FDA result for Phenylephrine HCl, as no peak was detected.

This action relates only to ATC Healthcare International Corp. products with any of this Batch number printed on the package:

- **00K04BA22**

No other Batch number, or any other ATC Healthcare International Corp. products, are involved in this action.

Only these specific lot codes are impacted. Customers are asked to remove all products with batch number listed below out of distribution immediately. Customers may call the number listed or visit our website for instructions on what to do with the product.

PRODUCT	BATCH NUMBER	REGISTRATION NUMBER	MANUFACTURING NUMBER	EXPIRATION DATE
Phenylephrine HCl//Paracetamol 10mg/500mg tablet [Noflu Non-Drowsy]	00K04BA22	DRP-7441	04 FEBRUARY 2022	04 FEBRUARY 2024

ATC Healthcare International Corp. is conducting this recall because Phenylephrine HCl/Paracetamol 10mg/500mg tablet [Noflu Non-Drowsy] failed to meet the required specifications for Phenylephrine HCl. We have not received any reports of illness associated with this product, but we are recalling this product out of an abundance of caution.

For more information or assistance, please contact us at 0909-333-3333 / 0917-562-3333 (Monday to Friday, 9:30 a.m. to 5 p.m.) or via our website at atchealthcare.com.ph
